

## 2025/2026 NEW Student Application Process

### ✓ Introduction

Thank you for considering placing your child at Riverview Christian School! As we pursue the Lord's will regarding the future of RCS, we anticipate growing in student numbers, community influence, and overall size. Our heart specifically is to share the Warrior difference with you: Bible-based teaching, passionate staff, invested teachers, mission-minded, rigorous academics. We understand that the selection of a school to educate your child involves research, prayerful consideration, and diligence. An education at Riverview Christian School is a rewarding experience, that will likely fit what you're looking for. A strong core curriculum is essential to the academic and cognitive growth of your child, which is why we use the time-tested Abeka curriculum. RCS students experience a curriculum with a heavy emphasis on academic and critical thinking, skill development, spiritual formation, and Biblical worldview development. It's our pleasure to continue this tradition as we plan for our 5<sup>th</sup> year! Prayerfully consider becoming a Warrior!

### ✓ Tuition Disclaimer

As you may know, the cost of everything has gone up substantially. Our heart at RCS, from the very beginning, has been to make ourselves available to as many parents and students as possible. We will continue to keep our tuition as low as possible. RCS operates solely on tuition and donations, taking no help from government entities. In order for us to continue to provide a high-quality Christian education for our students, we rely on parents to meet their financial obligations to the school. We sincerely appreciate your participation and attention to this need!

## ✓ Scholarship:

If you find yourself in need of a partial scholarship for your child (or children), we would ask that you do a few things first:

- Pray! Pray about your finances. Seek the Lord for guidance on this matter. We are doing the same!
- Consider adjusting your budget. There are often lifestyle changes that can be made to offset the cost of private education.
- Once you have completed the first two steps, let us know! The first round of the scholarship application process will open on April 14th. We will remind families prior to that that it is opening. You will receive your application by request to our Financial Director, Amanda Looney. Once your application is completed thoroughly, you will return it to the Financial Director via email or mail by the deadline of Monday, May 12, 2025. Scholarship offers will be determined by funds available, prayer and need consideration by the Scholarship Committee. Riverview Christian School is unable to offer full scholarships, unless via a private donor. Scholarship application requests can be emailed to: [amanda@riverviewcf.church](mailto:amanda@riverviewcf.church).
